- (6) Display dwellings used for sales purposes in residential subdivision or projects, provided that such uses shall be terminated when the last lot is sold or unit occupied.
- (7) Agricultural commercial establishments for the sale of farm products grown or raised on the premises by the owner or operator of the farm. There shall be a limit of one (1) establishment per farm. Such stands shall be set back a minimum of sixty (60) feet from the street line and shall be a maximum of five thousand (5,000) square feet in size.

C. Conditional Uses. The following uses shall be permitted in the PF Zone subject to issuance of a conditional use permit in conformance with the provisions of this chapter:

- (1) Kennel on lots of at least five (5) acres in area, and subject to other provisions of § 55-170.
- (2) Public service infrastructure intended to primarily serve the needs of the Pinelands. Centralized waste water treatment and collection facilities shall be permitted to service the Forest Area District only in accordance with N.J.A.C. 7:50-6.84(a)2.
- (3) [Deleted 3-20-95 by Ord. No. 1995-15 § 2; 8-5-96 by Ord. No. 1996-27 § 2]
- (4) [Deleted 3-20-95 by Ord. No. 1995-15 § 2; 8-5-96 by Ord. No. 1996-27 § 2]

- (5) **Pinelands resource-related industrial or manufacturing uses, excluding resource extraction and uses that rely on sand or gravel as raw products, provided that: [Amended 7-16-01 by Ord. No. 2001-29]**
- (a) **The parcel proposed for development has an area of at least five (5) acres;**
 - (b) **The principal raw material for the proposed use is found or produced in the Pinelands; and**
 - (c) **The use does not require or will not generate subsidiary or satellite development in the PF Zone.**
- (6) **Agricultural commercial establishments excluding supermarkets, restaurants, and convenience stores, but including garden centers provided that:**
- (a) **The principal goods or products available for sale were produced in the Pinelands; and**
 - (b) **The sales area of the establishment does not exceed five thousand (5,000) square feet.**
- (7) **Roadside retail sales and service establishments, provided that:**
- (a) **The parcel proposed for development has roadway frontage of at least fifty (50) feet;**
 - (b) **No portion of any structure proposed for development will be more than three hundred (300) feet, measured along a line parallel to the roadway, from the closest part of a roadside retail sales and service establishment structure that was in existence on February 7, 1979; and**

- (c) The proposed use will not unduly burden public services, including but not limited to water, sewer, and roads.
- (8) Institutional uses, limited to municipal offices, fire and rescue stations, public schools and colleges, day nurseries, libraries and museums, hospitals, medical clinics, convalescent homes, places of worship including parish and educational buildings and cemeteries providing that:
 - (a) The use does not require or will not generate subsidiary or satellite development in the PF Zone.
 - (b) The applicant has demonstrated that adequate public service infrastructures will be available to serve the use; and
 - (c) The use is primarily designed to serve the needs of the PF Zone in which the use is to be located.
- (9) Low intensity recreational uses, including but not limited to camping provided that:
 - (a) The parcel proposed for low intensity recreational use has an area of at least fifty (50) acres.
 - (b) The recreational use does not involve the use of motorized vehicles except for necessary transportation.
 - (c) Access to bodies of water is limited to no more than fifteen (15) linear feet of frontage per one thousand (1,000) feet of water body frontage.
 - (d) The parcel will contain not more than six (6) campsites per acre, provided that the campsites shall not be clustered at a net density exceeding ten (10) campsites per acre.

- (e) Clearing of vegetation, including ground cover and soil disturbance, does not exceed five percent (5%) of the parcel.
 - (f) No more than one percent (1%) of the parcel will be covered with impermeable surface.
- (10) Expansion of intensive recreational uses, provided that:
- (a) The intensive recreational use was in existence on February 7, 1979 and the capacity of the use will not exceed two (2) times the capacity of the use on February 7, 1979;
 - (b) The use is necessary to achieve recreational use of a particular element of the existing Pinelands environment; and
 - (c) The use is environmentally and aesthetically compatible with the character of the Pinelands Forest Area and the characteristics of the particular basin in which the use is to be located, taking into consideration the proportion of cleared and developed land, ambient water quality, ecologically sensitive areas and unique resources, and will not unduly burden public services.
- (11) Recreational vehicle campgrounds, provided that:
- (a) Gross density shall not exceed one (1) campsite per acre.
 - (b) Net density shall not exceed ten (10) campsites per acre.
 - (c) Minimum size of the lot or parcel is twenty-five (25) acres.

D. Lot and Building Requirements.

(1) Minimum lot size:

- (a) For lots with detached single family dwellings which meet the requirements of § 55-64A: three and two-tenths (3.2) acres. For lots with detached single family dwellings which meet the requirements of § 55-64B: one (1) acre. [Amended 7-16-01 by Ord. No. 2001-29]
 - (b) For lots with other detached single family dwellings: seventeen (17.0) acres, provided that lots may be reduced to three and two-tenths (3.2) acres under paragraph E.
 - (c) For all other uses: five (5.0) acres, unless otherwise specified in this section, or as necessary to meet the standards of the Pinelands Comprehensive Management Plan as contained in this chapter.
 - (d) Notwithstanding the minimum lot areas set forth above, no such minimum lot area for a nonresidential use within the PF zone shall be less than that needed to meet the water quality standards of § 55-291B(4), whether or not the lot may be served by a centralization sewer treatment or collection system.
- (2) Minimum lot width: two hundred (200) feet.
- (3) Minimum yard requirements:
- (a) Front yard: two hundred (200) feet, unless otherwise specified, except that if compliance with this minimum is constrained by physical or environmental considerations, involves a farm operation, or development within one thousand (1,000) feet has front yards less than two hundred (200) feet, a setback of not less than seventy-five (75) feet may be permitted.
 - (b) Side yard: fifty (50) feet for principal buildings, ten (10) feet for accessory buildings.

- (c) **Rear yard: seventy-five (75) feet for principal buildings, ten (10) feet for accessory buildings.**
- (4) **Maximum lot coverage: twenty percent (20%).**
- (5) **Maximum building height: two and five-tenths (2.5) stories or thirty-five (35) feet.**

E. Cluster Development.

- (1) **Residential dwellings permitted under paragraph A(3) of this section may be clustered on lots having minimum areas of three and two-tenths (3.2) acres provided that the overall density of the subdivision is not more than one (1) dwelling unit per seventeen (17.0) acres, that the residential dwelling units are served by standard subsurface sewage disposal systems, and that the requirements of § 55-63 shall be met, where applicable and where consistent with the development standards set forth herein and in Article XIX hereof.**
- (2) **The remainder of the parcel not assigned to individual residential lots shall be permanently dedicated through recordation of a restriction on the deed to the parcel as open space with no further development permitted. Recreational amenities may be permitted on the deed restricted lands insofar as they are consistent with the types of recreational amenities which could have been developed as accessory uses on the residential lots, absent clustering. The deed restricted lands may be dedicated as public open space, subject to acceptance by the Planning Board and Township Committee, or ownership of the deed restricted lands shall be otherwise conveyed to a homeowner's association, established in accordance with § 55-167.**

LAND USE

55-43

- (3) Clustering in the PF Zone shall not apply to developments of fewer than ten (10) lots.**
